ABOUT

The mission of the Caswell County Outreach Ministry, Inc. is to provide food, clothing, and other necessary resources to the homeless and needy in Caswell County and surrounding areas.

Since 2011, led by Paul and Alice Robinson, volunteers from across the community have worked together to provide the following to their neighbors:

- An onsite feeding ministry for children and adults (stalled by COVID but pivoted to hot meal delivery).
- A food pantry.
- Clothes closet for children and adults.
- Tutoring for children with low academics (stalled by COVID).
- One-on-one counseling for children and adults as needed.
- On-site ministries for seniors, sick, and shut-ins as requested.
- Transportation to programming as needed.
- Lunches for children when schools are closed.
- On-site ministries for seniors, sick, and shut-ins as requested.
- Tutoring for children with low academics (stalled by COVID).
- Clothes closet for children and adults.

The rest of the funds will be used to invest in data evaluation, allowing neighbors the opportunity to eat and fellowship with one another. When COVID-19 hit, they were faced with space permitting to provide programming. Operating out of a small kitchen and sitting area, they would stay open for hours – allowing neighbors the opportunity to eat and fellowship with one another. CORE PROGRAMS

Back to School Blast
An annual event that brings together community service agents and families in a festive atmosphere. Families receive school supplies, information, and encouragement for the school year.

Emergency Food Shelves
In partnership with local churches, community denominations, God’s Pit Crew and Second Harvest Food Bank, County Outreach Ministry operates Emergency Food Shelves at three subsidized housing complexes in Yanceyville in addition to their primary pantry site on Third Avenue. The various locations make it easy for those without transportation to access the food and other items they need. In keeping with the Ministry’s holistic person-centered approach, the shelves also stock basic toiletry items and fresh produce (as available).

Ministry of Love
The Ministry of Love is a not a standalone, named program but is instead the best way to describe the daily operation of County Outreach Ministry. The Ministry meets the community where it is, with volunteers making themselves available to meet needs as they arise – whether it’s a mother who needs an encouraging word, a senior who needs a ride to the doctor, a child who needs school supplies and a hug, or a family who just lost everything in a fire.

How Will County Outreach Use the $60,000 Ashby Award?

County Outreach will use the funds in two key areas: transportation and sustainability.

- A portion of the funds will be used to purchase a used passenger van to provide transportation for neighbors to come to the Ministry Center for services or other locations in the county for events and resources. The ministry already has one aging van that will be reassigned for use in food deliveries and supply runs.
- The rest of the funds will be used to invest in data evaluation, allowing neighbors the opportunity to eat and fellowship with one another. When COVID-19 hit, they were faced with space permitting to provide programming. For years, the ministry operated one of the few, if not only, on-site feeding programs in Caswell. Operating out of a small kitchen and sitting area, they would stay open for hours – allowing neighbors the opportunity to eat and fellowship with one another. The County Outreach Ministry is one of the most selfless groups I have ever had the pleasure of knowing. They support other agencies and organizations in an effort to become a village. The ministry is near and dear to my heart as I have been a volunteer, a donor and a receiver of this ministry.
