

## **2020 DRF Fellowship Program – Data Analysis**

**About DRF:** Danville Regional Foundation is a catalyst for innovation and an agent for transformation. Understanding that significant community change takes time, DRF invests for the long term in efforts that promise sustained positive impact for the Dan River Region. DRF is committed to activities, programs, and organizations that address the health, education, and well-being of residents of Danville, Pittsylvania County, and Caswell County.

**About the Fellowship Program:** Created in 2012, DRF's fellowship program cultivates the next generation of philanthropic and non-profit leaders in the Dan River Region. The program offers the unique opportunity to learn about philanthropy and the non-profit sector while providing personal and professional development in an area of mutual interest to both the Fellow and the Foundation.

**Project Description:** This year, DRF will identify a Fellow to help the Foundation create a robust system for sharing data with citizens, institutions and elected officials to drive informed decision making.

The Fellows will work up to two years under the supervision and guidance of Senior Program Staff in one of our areas of focus. This is a full-time position with salary and benefits.

**Qualifications:** Candidates must hold a degree from a bachelor's or master's level program at an accredited academic institution. Candidates must possess strong written and verbal communication skills. Candidates must show interest in the non-profit sector and demonstrated leadership in their professional life. Candidates must demonstrate knowledge and interests in one of our focus areas: Economic Development; Education & Workforce; Health and Wellness and Community Development.

- Fellows will help shape one significant project that is of mutual interest to DRF and the Fellow.
- Fellow will research best practices as it relates to their project and field of interest.
- Fellows will work with consultants and community stakeholders to advance their work.
- Fellows will write reports and make recommendations to staff based on findings.
- Fellows will provide additional support on short term task as time allots.

**There is no deadline to apply. Candidates will be reviewed beginning March 1, 2020. The position will remain open until filled.**
